SECURITY
LABEL APPLIER

HOBART

AUTOMATICALLY APPLIES AN EAS TAG TO MEAT PACKAGES

The new Hobart Security Label Applier can automatically attach an EAS tag to the backside of the scale label. The EAS tag is hidden underneath the scale label. The Security Label Applier can be added to any existing or new Hobart Access scale system. It can be programmed so that only packages above a set value will get a security tag.

FEATURES

■ Auto apply EAS Tag on Demand

■ Uses standard roll of EAS Tags

■ Tag is hidden under scale label

■ Alert operator when out of tags

■ Easy to load/thread security tags

BENEFITS

■ Labor savings

■ Only higher profit items get tagged

■ Consistent tag location helps insure deactivation
