Model Region Meeting: Introduction to the New Year Priorities

Objective: To provide an opportunity for the district governor to share priorities and club leaders to present their plans for the year.

Attendees: Hosted by the region chairperson, the event should include the club presidents and officers, zone chairpersons, the District Governor, Vice District Governors and others, such as the Global Action Team Coordinators, who could add content to the program.

Length of Time: Depending on the content, the meeting could range from a few hours to ½ a day.

Date: As early as convenient in the first quarter of the Lions’ year.

Notification: While this is not a required meeting, care should be given to ensure notification is early enough to encourage attendance. No less than 30 days is recommended.

Program Description: the program provides an overview of the district goals by the district governor, followed by presentations made by Lions who will support the goals, followed by a question-and-answer session and club reports.

Size: Each meeting should include a single region to allow time for Lions to have an open discussion and exchange ideas.

TIP: Consider the outline below for any topic.

- Objectives and Priorities
- Action Steps to Support Priorities
- Team Description
- Timeframe
- How the Clubs can get involved
- Celebration and Recognition
1. Welcome by Region Chairperson

2. Introduction of the **District Governor** and team.

3. District Governor provides an overview of the International President’s Message, LCI Priorities and the district plan, which is followed by team-member presentations.
   - District Objectives and Priorities
     - Membership Goal
     - New Club Development Goal
     - Service Goal
     - Leadership Development Priorities
     - Other Initiatives and Goals

**Meeting Recommendations**

- Communicate meeting as soon as possible to avoid scheduling conflicts and allow member to prepare.
- Provide Audio-Visual equipment to the presenters so presentations to make the program more effective.
- Consider using the International President’s Video or LCIF video as they are generally very positive and upbeat.
- Keep message positive and motivational.
- Before the meeting, consider asking the club presidents the items they would like covered so the program is very relevant and addresses their needs.
- Let the presenters know your expectation and the goal of each presentation.
- Offer participants the presentation so they are able to click on links to learn more.
- Track the progress of the district goals and offer support if plans are not executed.
