SERVING AS A CLUB OFFICER IS A PRIVILEGE AND HONOR BESTOWED UPON YOU BY CLUB MEMBERS.
By the end of this session, you should be able to:

• Describe standard club leadership structure.
• Identify the duties and responsibilities of each club officer.
• Identify key resources for each club officer.
We serve.

We have more volunteers in more places than any other service organization in the world. Since 1917, Lions clubs have offered people the opportunity to give back to their communities and help those in need.
Whenever a Lions club gets together, problems get smaller, and communities get better.

That’s because we help where help is needed – in our own communities and around the world – with unmatched integrity and energy.
Lions clubs give more people the chance to make a difference, assist those in need and introduce new projects to local communities. There is no limit to where or how many community-based clubs can be formed.
Lions Impact

The most effective Lions clubs regularly identify ways to expand their humanitarian service impact, develop leaders, and meet club members’ needs and expectations. In short, they take care to ensure they continually bring value to the community and to club members.
As community needs have increased, Lions have broadened their focus toward humanitarian efforts. Each Lions club is autonomous, and therefore may choose projects and activities that fit the lifestyles of its members and impact the community the greatest.

We take on global challenges together.

**DIABETES**
Reduce the prevalence of diabetes and improve the quality of life for those diagnosed.

**ENVIRONMENT**
Sustainably protect and restore our environment to improve the well-being of all communities.

**HUNGER**
Ensure all community members have access to nutritious foods.

**VISION**
Prevent avoidable blindness and improve the quality of life for people who are blind and visually impaired.

**CHILDHOOD CANCER**
Help those affected by childhood cancer survive and thrive.
