## Ways to use your GAT District Funding

GAT District Funding is US \$500 and available to each district with the submission of a success story. But what's a district to do with \$500?

**Check out the list below for some ideas!**

### Support your clubs!

- Have a meet & greet to get to know your club presidents.
- Send a cake to clubs on their induction days.
- Buy art supplies and host a Peace Poster decorating day.
- Buy space in local newspapers, radio and social media to promote your clubs.

### Take on one of our Global Causes!

- Buy Jerry Bears for diabetic children.
- Donate toys to the children's ward of a local hospital.
- Plant a tree.
- Provide refreshments for a Family Fitness Walk & Social Gathering for the blind.
- Buy canned food for a local food pantry.
- Donate to LCIF's Campaign 100 or a local charity supporting one of your causes.

### Get the word out!

- Upgrade your district's website.
- Print advertisements for your next event.
- Host an ice-cream fundraiser at local campuses to recruit students.

### Treat your GAT Team!

- Host a GAT Retreat for your district.
- Conduct a GAT event at your district convention.
- Provide awards for outstanding performance.
- Design shirts for your team.
- Provide food at your next GAT meeting.
