

DR. JOSÉ A. MARRERO
PAST INTERNATIONAL DIRECTOR

Dr, José A. Marrero, from Arecibo, Puerto Rico, USA was elected to serve as international director of Lions Clubs International at the association's 102nd International Convention, held in Milan, Italy, July 5 through July 9, 2019.

Past Director Marrero has been a physician for 39 years and is currently medical director for a community care clinic with emergency care, lab and X-ray facilities. His clinic is the primary care provider to most of the population within the surrounding areas. Dr. Marrero also works as an emergency physician for a third-level medical facility which receives referrals from all medical facilities and hospitals within the Arecibo district.

He became a Lion when he joined the Arecibo Capitan Correa Lions Club in 1996. Past Director Marrero has held a number of offices within the association including multiple district Diabetes Awareness and Action chairperson, multiple district GLT coordinator and recently, multiple district GST coordinator. He has served as a presenter in five Regional Leadership Institutes and three USA/Canada Forums. Past Director Marrero has also served as a member of several International Convention Election committees.

In recognition of his service, Past Director Marrero has received 11 International President's Certificates, one International President's Leadership Award and two International President's Awards. Past Director Marrero and his wife, Annie, are both Progressive Melvin Jones Fellows.

Past Director Marrero also supports an outreach program to the homeless population within Arecibo. Established by his son and the Arecibo Capitan Correa Lions Club, the program provides food, clothing and medical care to people in need. Past Director Marrero has served as president of his local chapter of the Puerto Rico College of Physicians and as a former city councilperson to the city of Arecibo.

Outside of his Lions and professional responsibilities, Past Director Marrero pursues an interest in botany and grows tropical bonsais and orchids in his home.
