

Welcome

Lions Clubs International

Get ready to make a world of difference

Welcome to the largest service organization in the world

You joined a local club to make a difference in your community, but you've also joined a global community of Lions. We are friends, family and neighbors who are making a difference. We are more than 1.4 million men and women in over 200 countries around the world who believe that kindness matters. We are Lions. // **And now you're part of us.**

This is a place for big ideas

Lions don't just envision a better world, we **make** it a better world. Being a Lion means serving your community—and through it, the world. It encourages personal growth through service, fellowship and leadership opportunities. // **You can bring your own big idea to life as a Lion.**

Our global causes

Over the last 100 years, the kindness of Lions and Leos has multiplied across borders, oceans and continents. With over 1.4 million members, we now have an opportunity to truly change our world.

That's why we're uniting our global service around five areas of need. These global causes present significant challenges to humanity, and we believe it's our turn to meet them.

A century of service ...and counting

We're excited about our future

Lions Clubs International has been the global leader in service for more than a century. Clubs like yours choose how to serve their communities. Saving sight and protecting the environment, feeding the hungry and helping the most vulnerable. When over 48,000 Lions clubs serve locally, we create a global impact, bringing hope to millions of people each year. And through the support of the Lions Clubs International Foundation, Lions are able to make an even greater impact through grants that fund large-scale projects. We are proud of our history. We're excited about our future. // **You will be too.**

We're innovating through service

The world is changing. And so are Lions. We're innovating so we can bring Lions around the world together to serve more people than ever before. To achieve this, we're using new technologies like the MyLion app, supporting our global causes and developing innovative tools to support, connect and inspire Lions like you. // **You can expect the world from Lions.**

Getting started is easy
