- Reimbursements will be made in the currency of the domicile of the multiple district/district, except when the best interests of the association require otherwise (per Board Policy). Reimbursement will be made at the Lions official exchange rate based on the date the claim is processed by Lions Clubs International Headquarters. Reimbursement will be made in U.S. dollars if the Association does not have a bank account in the country of the multiple district/district.
- Wire transfers for reimbursement will not be issued to personal accounts.

Insurance:

Lions Clubs International provides no medical insurance coverage to its members whether or not on Lions business. Therefore, when traveling on personal or Lions business, it would be wise to make sure that you have sufficient medical insurance coverage. Many individual and group insurance plans do not cover the insured outside his/her own country, and sometimes not even outside of his/her city, state or province. This is especially true of USA Medicare insurance (which is effective in the USA only) and is also probably true in many other government sponsored and individual medical plans. This is a personal matter, which varies from individual to individual, so please be sure to examine your own situation and that of family members and friends carefully.
