The Global Action Team
Empowering clubs through action.

Lions in action.

Seeking to unite the three pillars of Lions Clubs International—leadership, membership and service—the Global Action Team (GAT) provides access for Lions and Lion leaders to key programs and tools.

As a result of the GAT’s one-team approach, clubs will become stronger and service outcomes will be more impactful.

Clubs are at the center of the action.

The GAT puts the entire Lions network to work for your club. And teamwork is the key—it brings the entire GLT, GMT and GST together to support your club. This one-team approach ensures all clubs and members have the skills, knowledge and resources needed to provide impactful service. Support is all around you.
Making a difference through action.
