

Lions International

You're part of something big.

Welcome to the world's premier service organization.

By joining a Lions club, you're not only making a difference locally — you've also joined a global community. Lions International combines the power of Lions Clubs International's 1.4 million members in more than 50,000 clubs and the grant-funding support of Lions Clubs International Foundation to help take on the challenges facing our communities around the world.

We're on a mission to serve.

Service does more than define us — it unites us. Around the world, Lions are serving every day, in so many ways. And collectively, our volunteer work creates a lasting impact in some important ways.

**Improving health
and well-being**

**Strengthening
communities**

**Supporting
those in need**

You have a world of support.

As a Lion, you've joined forces with passionate individuals who are dedicated to making real change in the world. And your association and foundation are here to support you along the way.

Lions Clubs International

Your association provides training, resources and support so you can confidently serve your community.

Lions Clubs International Foundation (LCIF)

LCIF provides grant funding that can help Lions take on ambitious projects, and your generous gifts ensure LCIF is there when needed.

Get an idea of how we serve.

Our club is part of a global community of like-minded people dedicated to creating lasting change. Lions have eight global causes we serve as an organization, but our club takes on challenges that matter most to our community, including the following:

-
-
-

Make the most of your membership.

There's nothing like being a Lion. Here are some great ways you can get started.
