

Weeks of Service Video Showcase

Video Submission and Selection Process

Join Lions and Leos across the globe in shining a spotlight on your [Week of Service](#) project! Capture your service in action with a short video up to 90 seconds and share how your club is tackling global challenges and creating local impact.

Selected videos will be featured in a global **Week of Service Video Showcase**—a celebration of the service, creativity, and commitment that defines our Lions and Leos. **Ready to inspire the world?** Start filming and show us how your club is making a difference!
