Specialty Clubs

6 Steps to Chartering

- 1 Approach an existing group of people who already share a common connection
- 2 Explain how humanitarian service through Lions Clubs will not only enrich their existing group's relationships, but provides leadership and learning opportunities within a global community
- 3 Assist the group in determining a service focus and outlining an approach
- 4 Utilize LCI's new club development resources for club recruitment and chartering
- 5 Supply the group with ideas and resources for promotion, awareness and training available through Lions Clubs International
- 6 Maintain a relationship with the new specialty club to ensure their success and satisfaction
