

MORE THAN A DECADE OF SUSTAINED EXCELLENCE

Our dedication to sustainability goes beyond labeling ourselves “green.” We’re committed to manufacturing efficient commercial kitchen equipment that reduces energy and resource consumption, decreasing impact on the environment and your bottom line.

* Note: Select models of the above Traulsen equipment have received ENERGY STAR® certification. For a complete list, contact Traulsen - (800) 825-8220.

HOBART

- AM Series Door Type
- Centerline™ CUH Undercounter
- CL Series Conveyor Type
- FT Series Flight Type
- LXe Series Undercounter
- LXGe Series Glasswasher
- PW Series Pot, Pan & Utensil Washer

BAXTER

- OV500G1-EE Gas Rotating Rack Oven
- OV500G2-EE Gas Rotating Rack Oven

TRAULSEN*

- R & A Series Reach-In Refrigerators
- R & A Series Reach-In Freezers
- G Series Reach-In Refrigerators
- G Series Reach-In Freezers
- UHT Series Undercounter Refrigerators
- G Series Hot Food Holding Cabinets
- R & A Series Hot Food Holding Cabinets

VULCAN

- ER Series Electric Fryers
- CEF Series Electric Fryers
- PowerFry5™ Series Gas Fryers
- PowerFry3™ Series Gas Fryers
- VEG Series Gas Fryers
- VC4 Series Convection Ovens
- VC6 Series Convection Ovens
- VC5 Series Convection Ovens
- SG Series Convection Ovens
- ECO2D Half-Size Convection Ovens
- VCCG Series Heavy Duty Gas Griddles
- EA-LWE Series Electric Generator Steamers
- EO Series Electric Boilerless Steamers
- ET Series Electric Generator Floor Steamers
- VBP15 Insulated Holding Cabinet

STERO

- ER Series Rack Conveyor
- SD3 Door Type
- STPCW-ER Flight Type
- SU Series Undercounter
- SG Glasswasher

HOBART

MORE THAN A DECADE OF SUSTAINED EXCELLENCE

Your kitchens can realize energy and resource efficiencies by upgrading older equipment for ENERGY STAR® certified products, giving you the ability to save on natural resources as well as labor efficiencies, while lowering your total cost of ownership. More importantly, by investing in durable equipment from Hobart, you will gain a reliable, invaluable equipment partner for life.

Hobart's ENERGY STAR® certified products include:

- A Series Door Type
- Centerline™ CUH Undercounter
- CL Series Conveyor Type
- FT Series Flight Type
- LXe Series Undercounter
- LXGe Series Glasswasher
- PW Series Pot, Pan & Utensil Washer
