

Frequently Asked Questions

Updates to the Vice District Governor Training Programs

Q What is changing within the vice district governor training programs?

A The second vice district governor (SVDG) training program will be revised to include content that focuses on enhancement of leadership development skills, as well as association and foundation programs. More information will be provided when available.

The first vice district governor/district governor-elect (FVDG/DGE) training program content will focus on the application of leadership skills, establishment of goals and action plans, and implementation of strategic initiatives. More information will be provided when available.

The Advanced Lions Leadership Institute (ALLI) will no longer be offered after the 2023-2024 Lion year. Effective July 1, 2024, the ALLI will be replaced with the new second vice district governor training program.

Q Why is the training for vice district governors changing?

A With the updates adopted at the 2023 International Convention to the district team roles which emphasize planning, team development, goal achievement and year-to-year continuity, enhancements to the vice district governor training programs are being implemented to support the updated district team roles and responsibilities.

Q How will vice district governors benefit from the changes to the Vice District Governor Training Program?

A The changes to the Vice District Governor Training Program were designed to further emphasize planning, team development, goal achievement and year-to-year continuity. The additional training will ensure that our incoming district governors are even better prepared for one of the most critical roles in our association and ready to achieve better outcomes and greater success in their districts.

Q When will the updated SVDG and FVDG/DGE training programs be implemented?

A The updated training program for second vice district governors will be implemented in the 2024-2025 Lion year. The updated training program for first vice district governors/district governors-elect will be implemented in the 2025-2026 Lion year.

Q How does the elimination of the Advanced Lions Leadership Institute (ALLI) on July 1, 2024 impact a Lion's eligibility to hold a district leadership role?

A Attending an ALLI may be a local requirement to hold a district leadership role. Per the International Constitution and By-Laws and the Standard District Constitution and By-Laws, attending an ALLI is not an eligibility

prerequisite for a district leadership role. For information contact your district leadership team.

Q Will training be available for elected first vice district governors who did not serve as second vice district governor?

A Yes. Training will be provided for first vice district governors who did not serve as a second vice district governor. More information on the make-up training for this situation will be provided when available.

Q With the elimination of the Advanced Lions Leadership Institute (ALLI), what training opportunities are available for Lions who are not on the district governor pathway?

A The Lions Learning Center (LLC) offers opportunities to learn and refine leadership skills and Lion Fundamentals through interactive online courses. Additionally, local training opportunities, such as the Emerging Lions Leadership Institute (ELLI) or Regional Lions Leadership Institute (RLLI), may be available within your club, district or multiple district.
