Lead and Major Gifts Program

Celebrating Philanthropy

As a Lions Clubs International Foundation (LCIF) donor, you empower exceptional humanitarian service around the world. Through the power of grants and programs, your generosity transforms communities. Donations to LCIF prevent vision loss, provide palliative care for children with cancer, secure food for the hungry and so much more. These deeply personal outcomes bring possibilities to life for people in need. We are grateful for your gifts, which make this work possible. To celebrate your meaningful contributions to our mission, we offer exclusive recognition as part of our Lead and Major Donor Program.
