

TU-SERIES REFRIGERATED FULL-SIZE UNDERCOUNTERS

EFFICIENT OPERATION. SUPERIOR REFRIGERATION. BUILT TO LAST.

Traulsen's full-size undercounters protect your product with the temperature control you need, even during a high-volume rush. Our TXV metering device allows for advanced temperature recovery, so food remains safe and fresh while the door is constantly opening and closing. Our adjustable leg channel system with zero-clearance installation and our front-breathing design, provide flexibility to fit into a variety of kitchen spaces.

1

REDUCE COSTS

- Rugged, stainless steel interior & exterior (front & sides)
- ENERGY STAR® listed
- Superior temperature recovery with TXV metering device
