

## Text Messaging Terms and Conditions

Text messaging, also known as SMS, is one method that Lions Clubs International Foundation (LCIF) and Lions Clubs International (LCI) uses to communicate with Lions club members and other individuals interested in receiving updates about the organization. After opting-in to receive LCIF/LCI text messaging alerts, LCIF/LCI may send periodic texts that could include, but are not limited to, membership updates, donations, event information, surveys, and volunteering. The frequency of text messages from LCIF/LCI may vary. We take all appropriate measures to ensure the security of the information you send to us in these programs.

By clicking the “Sign Up” button, you opt-in to receive automated marketing and informational text messages, and you consent to our use of an automatic telephone dialing system to generate text messages to you.

Once we have collected your personal data, we may share some or all of it with third parties for various reasons. For example, sharing your information in this way might help us improve our services.

No purchase is required to be eligible to receive text messages from LCIF/LCI. While LCIF/LCI does not charge fees to receive text messages, message and data rates from your wireless carrier may apply. Any costs incurred as a result are your responsibility. Check with your wireless provider for details on receiving text messages.

LCIF/LCI reserves the right to terminate the texting service, in whole or in part, at any time, with or without notice.

To opt-out of the texting service, simply text back the keyword, STOP, after receiving a message. After doing so, you will receive confirmation of your opt-out, and you will no longer receive any LCIF/LCI messages thereafter.
